The 2020 Michigan Council for the Social Studies conference will take place April 17-18, 2020 at the Grand Traverse Resort and Spa, in beautiful Traverse City Michigan! Educators from all over the state of Michigan will head to beautiful Northern Michigan for two days of professional learning centered around the greatest of the four content areas – everything “social studies.” As an organization committed to serving these dedicated professionals, we hope you’ll join us to tell YOUR story – as well as your research, products, and solutions!

Limited sponsorship opportunities are available for 2020, so please contact us soon to discuss how your organization can support social studies education in Michigan.
